

New instructions for Scholarships from SSCPNM

The management committee has decided that scholarships from SSCPNM shall be granted to a sum of 150.000 SEK per year. Applications shall be sent only to the secretary by e-mail (staffan.andersson@ltu.se) and be written in English. Scholarships will be granted twice a year with "deadlines" for application by May 31 and December 1.

Eligibility for scholarships:

- 1) Membership in a National (Danish, Finnish, Norwegian or Swedish) society in Clinical physiology and/or Nuclear medicine.
- 2) Younger scientists planning to actively participate in a scientific meeting will have a high priority. Abstracts shall be included in the application.
- 3) Brief visits to a well acknowledged laboratory to acquire a specific talent will have a high priority. Letter of invitation shall be included in the application.
- 4) Recent recipients will have a lower priority.

Applicants must use a special template for application which can be downloaded from the official website www.sscpnm.org

The Society transfers money only to institutional accounts and not to private accounts or addresses.
